University of Dayton senior Thomas E. Gantner of Brookville, Ind., has been awarded a National Defense Graduate fellowship.

The award, provided through the National Defense Education Act, will enable Gantner to work toward his doctor's degree in mathematics. He'll enroll at Purdue in September to begin those studies.

The fellowship provides \$6,600 over a three-year period.

Gantner, son of Mrs. Hilda Gantner of 514 High St., Brookville, Ind., is a 1958 graduate of Brookville high school. At the University, he's been vice president of the Mathematics Club and an active member of Pi Mu Epsilon, national mathematics honorary fraternity.
